### **Arriving by public transport**

The nearest tube station is Angel on the Northern Line (Bank branch). The Business Design Centre is just a 5 minute walk along Upper Street – it's well signposted and you'll find it on the left hand side. If you're using Google maps, look for the Islington Hilton – we're right next door.

### **Arriving by car**

There is a car park at the Business Design Centre – there are plenty of spaces, and these are charged at £3.00 an hour. If you're using sat nav, use the post code for the Hilton - N1 0UY - which will take you to the car park.
